DYE IZON RED DOT GUN SIGHT

The new Dye Red Dot Gun Sight is a great addition to any marker. For those of you who are all about one-shot, one-kill, this sight is the answer. Just throw it on your gun, dial it in, and play. Put the red dot right on someone's goggles and get ready to feel the satisfaction when you pull the trigger. Of course you're going to need a good paint and a great barrel. With this sight, there are no batteries to drain, all you need is some sun on your gun and you're ready to one-shot just about anything that gets in your way. Easily attaches to any marker that has a standard dovetail sight mount.

DYE STICKY 3 GRIPS

DYE has taken grip technology to the next level with the Sticky 3. The Sticky 3 utilizes a combination of injected materials in two different durometers to give you the ultimate in comfort. The Sticky 3 also offers full wrap design, giving your frame a back strap cushion and filling your palm completely. This advanced molding technology provides you a secure anatomically correct fit with a soft shock absorption material that your hands will love. Like the original DYE Sticky, the Sticky 3 will fit all standard 45 frames and is offered in a variety of colors to match your marker. Their quality sphere jewel logo is molded directly into the grip and will stay there forever. (Frame not included)

DYE INVISION GAME TIMER

Easily installed into any Invision system, the timer rests comfortably next to your right ear. The Invision timer voice alert will beep and announce the time as it counts down: 60, 50, 40, 30, 20, 10 5, 4, 3, 2, and 1 minute points and the 50, 40, 30, 20, 10, 9, 8, 7, 6, 5, 4, 3, 2, and 1 second points. After the one second announcement, the timer will tell you "game over." Can be used during big games, tournaments or practice. The Invision Game Timer is an item you can count on.

ECLIPSE ANGEL/IR3 FANGZ A.D.B

How many people do you know that have a nightmare with their standard Anti-Double Ball. These little puppies are soooooo cool. Two piece design which means you can take the ADB apart in second for repairs or to clean. Rubber Fang holds the ball in place so no sticky ball bearings. These are not recommended for use with Halo loaders.
