

GX-E ELECTRONIC

Chaos Milled Body. Includes 8" .689 barrel, new adjustable drop forward w/ on/off ASA. SS line w/quick disconnect. Gen. X-2 Inline Reg. New Swing Frame. Electronic Trigger. New Pneumatics: Jackhammer II has 3 more air ports internally, 3-way has better rear exhaust for faster trigger return, also 3-way has tighter diameter allowing for a 70 derometer o-ring that doesn't allow excess shaft movement. Internal valve pin has been extended, Hammer weight increased, shorter springs for better consistency, and economy of shots per fill.
