

NEW!

BATTLE M.A.X. MARKER ACTION XTREME

Marker

- World's first high-performance backyard marker
- Specially designed to shoot low-impact FOAM-SHOT™ balls
- Fires accurately up to 50 feet (capable of firing 100+ feet depending on conditions)
- Powered by self-contained hand pump actuated compressed air system
- No extra costs of air tanks, air refills, or batteries
- Rapid fire action with controlled maximum air pressure and projectile velocity
- Authentic rubberized grip and double trigger for improved feel and handling
- Rugged design and premium grade materials for long lasting play
- Magazine holds up to 8 FOAM-SHOT™ balls (1 magazine and 9 balls included)
- Twist-lock magazine design allows for quick removal and reloading
- Multiple magazines (not included) allow extended game play
- MARKERBALL™ projectile marker barrel cover included
- Exciting BATTLE M.A.X.™ DVD included

Mask

- Full face paintball mask
- Meets ASTM F1776 Standard Specification for Eye Protective Devices for Paintball Sports
- Replaceable, optically correct, anti-fog, high-impact polycarbonate lens
- Full peripheral view and removable sun visor for enhanced visibility
- Molded Air Cooled Design® vented shell with foam lining
- Fully adjustable chin strap with fast-snap nylon buckle
- Adjustable 1.5" wide non-slip elastic head strap for wide range of fit
- Sizing foam included to fit smaller heads
- One size fits: Youth Large -> Adult Medium
- AEGIS MICROBE SHIELD® anti-microbial protection helps control odor and fungus

MARKERBALL™ Projectile Paint

- Non-toxic washable water-based paint
- Designed only for use with MARKERBALL™ projectile FOAM-SHOT™ balls
- 6 oz. bottle with injector-tipped cap for use with MARKERBALL™ projectile paint loader
- Paint can be washed from FOAM-SHOT™ balls, as well as most surfaces including skin, clothing and most fabrics (some staining may occur; for best results wash as soon as possible with warm water)

SCEPTOR™ V1.0 Magazine & FOAM-SHOT™ Ball set

- Includes 2 spare magazines designed only for use with the SCEPTOR™ v1.0 marker
- 16 lightweight reusable low-impact FOAM-SHOT™ balls
- Multiple magazines allow quick reload and extended game play
