## DIABLO MONGOOSE PRESS RELEASE

COURTESY OF:  
DIABLO DIRECT

### PRESS RELEASE

Diablo has raised the bar in the industry by offering a 2 year warranty on their new Mongoose paintball marker. This bold move shows Diablo's dedication to their products and their goal to make a reliable and dependable product.

The Mongoose is an electronic blowback style marker. Its vertical feed allows players to play the right or left side of their bunkers with either hand. Constructed of lightweight aluminum, this marker is a great buy for either the tournament or rec / scenario player, And now it is covered by a two (2) year unconditional parts and labor warranty with original proof of purchase.

#### Features:

- Advanced electronic trigger frame
- Adjustable firing modes
- Fore grip regulator build-in
- Aggressive lightweight milling
- intimidator style bolt pin
- Stainless steel ball detent
- Custom anodized aluminum
- Vertical feed port
- Rear velocity adjuster
- Competition double trigger setup
- precision machined drop forward with regulator, gauge, and macro-line
